

DEPARTMENT OF HEALTH CARE SERVICES CAREER EXECUTIVE ASSIGNMENT EXAMINATION ANNOUNCEMENT

California State Government supports equal opportunity to all regardless of race, color, creed, national origin, ancestry, sex, marital status, disability, religious or political affiliation, age, sexual orientation, medical condition or pregnancy. It is an objective of the State of California to achieve a drug-free work place. Any applicant for state employment will be expected to behave in accordance with this objective because the use of illegal drugs is inconsistent with the law of the State, the rules governing Civil Service, and the special trust placed in public servants.

DEPARTMENT:	DEPARTMENT OF HEALTH CARE SERVICES	RELEASE DATE:	Thursday, August 20, 2009
POSITION TITLE:	Project Director, Fiscal Intermediary Medicaid Management Information System	FINAL FILING DATE:	Thursday, September 10, 2009
CEA LEVEL:	CEA 5	EXTENDED FINAL FILING DATE:	
SALARY RANGE:	\$ 9,544.00 - \$10,520.00 / Month	BULLETIN ID:	08122009_3

POSITION DESCRIPTION

Under the general direction of the Deputy Director, Health Care Policy, the Project Director has full management responsibility for the successful procurement of the Medi-Cal Fiscal Intermediary Contract and the replacement of the current California Medicaid Management Information System. The Project Director formulates, recommends, and implements department-wide policies with significant impact on all programs related to the project. This project is complex and sensitive in nature, which requires frequent, high-level, negotiations and often daily policy direction between the Project Director and the Department's technical and program staff, as well as outside consultants, and high-level management within the Department. The Project Director represents the Department before the public, advocate and constituency groups, medical associations, counties, other state agencies, the media, and numerous statewide organizations in all matters related to the work of the project. This CEA allocation is currently approved limited term through July 2010 with the potential for extension to July 2011.

MINIMUM QUALIFICATIONS

Applicants must meet the following minimum qualifications:

Either I

Must be a State civil service employee with permanent civil service status or who previously had permanent status in the State civil service.

Or II

Must be a current or former employee of the Legislature, with two or more consecutive years as defined in Government code § 18990.

Or III

Must be a current or former non-elected exempt employee of the Executive Branch with two or more consecutive years (excluding those positions for which salaries are set by statute) as defined in Government Code § 18992.

Or IV

Must be a person retired from the United States military, honorably discharged from active military duty with a service-connected disability, or honorably discharged from active duty as defined in Government Code § 18991.

KNOWLEDGE AND ABILITIES

Applicants must demonstrate the ability to perform high administrative and policy – influencing functions effectively. Such overall ability requires possession of most of the following more specific knowledge and abilities:

(1) Knowledge of the organization and functions of California State Government including the organization and practices of the Legislature and the Executive Branch; principles, practices, and trends of public administration, organization, and management; techniques of organizing and motivating groups; program development and evaluation; methods of administrative problem solving; principles and practices of policy formulation and development; and personnel management techniques; the department's or agency's Equal Employment Opportunity Program objectives; and a manager's role in the Equal Employment Opportunity Program.

(2) Ability to plan, organize, and direct the work of multidisciplinary professional and administrative staff; analyze administrative policies, organization, procedures and practices; integrate the activities of a diverse program to attain common goals; gain the confidence and support of top level administrators and advise them on a wide range of administrative matters; develop cooperative working relationships with representatives of all levels of government, the public, and the Legislature and Executive branches; analyze complex problems and recommend effective courses of action; and prepare and review reports; and effectively contribute to the department's or agency's Equal Employment Opportunity objectives.

These knowledge and abilities are expected to be obtained from the following kinds of experience with substantial participation in the formulation, operation and/or evaluation of program policies (experience may have been paid or volunteer; in State service, other government settings, or in a private organization):

CEA Level 1. Supervisory/administrative experience in a line or staff activity, including the execution and/or evaluation of program policies.

CEA Levels 2 and 3. Broad administrative or program manager experience with substantial participation in the formulation, operation, and/or evaluation of program policies.

CEA Levels 4 and 5. Extensive managerial and program administrative experience

which has included substantial responsibility for a combination of management functions such as program planning; policy formulation; organization coordination and control; and fiscal and personnel management. Where high technical professional qualifications are of primary importance in performing the duties of a given CEA position, then the above required experience may have been in a staff capacity exercising professional skills to influence and contribute to program, policy, and methods of providing those professional services. Primary examples are medical doctors and attorneys.
